

AD HOC ANNOUCEMENT PER § 15 WPHG

LPKF wins biggest order in its company history

Garbsen, 9. September 2009 – The LPKF Group has received an order for more than EUR 6 million for laser systems to manufacture three dimensional cellphone antennae. This continues the boom which has dominated the MID segment since the fourth quarter 2008. The client is a major international electronics Group.

LPKF Laser & Electronics AG shares are traded on the Prime Standard of the Frankfurt Stock Exchange (ISIN 0006450000).
